The affidavit of company status needs to be notarized. I presume I need to original signatures?

Hi –

Would you like me to scan and send instead? Then you could just print two copies of the signature page, get two signatures on each, and bring over.

Hi Lorena –

I have the agreement ready for signatures for the trolley service provided last summer. Are you available to come over today and sign?? I have a 10am meeting in Long Beach and a 2 & 3pm, but am around the rest of the time. Once we get all the signatures, which I think we can do by the end of the week, then we are given an agreement number and we can process the invoice! And we'll get going on the paperwork to get the trolley in place for this summer.

I'm so sorry this is all taking so long, but the light is on the horizon!
